Applicant is seeking site plan approval to construct a hotel.

**C) CASE # 04-ZP-16
665 MOKENA PARTNERS, LLC/ STEVEN MARIN
665 MOKENA DRIVE
ZONING: NW36, NORTHWEST 36 STREET DISTRICT**

Applicant is seeking site plan approval to construct a hotel

5. ADJOURNMENT

The decisions of the Zoning & Planning Board may be appealed to the Board of Appeals pursuant to Code Section 150.113. Any person appealing any decision may need to ensure that a verbatim record is made of the proceedings, which record includes the testimony and evidence upon which the appeal is made. (F.S. 286.0105)

City of Miami Springs, Florida

The regular meeting of the Miami Springs Zoning and Planning Board was held on Monday, January 4, 2016 in the Council Chambers at City Hall following the Board of Adjustment meeting.

1. CALL TO ORDER AND ROLL CALL

The meeting was called to order at 6:42 p.m.

Present were: Bill Tallman
Bob Calvert
Juan Molina
Alejandro Gonzalez

Absent: Chairman Manuel Pérez-Vichot
Vice Chair Ernie Aloma

Also Present: City Attorney Jan K. Seiden
Planning and Zoning Director Chris Heid
Board Secretary Juan D. Garcia

In the absence of Chairman Perez-Vichot and Vice Chair Aloma, Board member Tallman, the longest serving board member that was present, served as Chairman.

2. APPROVAL OF MINUTES OF REGULAR MEETING:

Minutes of the August 4, 2015 meeting were approved as written.

Board member Molina moved to approve the minutes as written. Board member Calvert seconded the motion, which passed unanimously on voice vote.

3. SWEARING IN OF ALL WITNESS AND ZONING AND PLANNING DIRECTOR

Board Secretary Garcia swore in the Zoning and Planning Director, the applicants or representatives of the applicants who would testify should the Board have any questions.

4. NEW BUSINESS

- A) CASE # 01-ZP-16
CHRIS DESAI, MIAMI AIRPORT LODGING, LLC
3449 N.W. 42 AVENUE
ZONING: ABRAHAM TRACT DISTRICT
LOT SIZE: 80,242 SQ. FT.

Applicant is requesting site plan approval for the construction of a 73,484 square foot, 127 room hotel.

Zoning and Planning Director Heid read his recommendation to the Board.

Board member Tallman asked Zoning and Planning Director Heid if there was any correspondence on this or if there could be any correspondence and Zoning and Planning Director Heid responded that there could be correspondence but there was not any.

Board member Tallman asked Mr. Chris Desai to approach the podium to comment on the project.

Chris Desai of 3785 NW 82 Avenue presented the Board with a rendering of the site plan and a project overview. Mr. Desai stated that Hilton has very strict standards and guidelines for their hotels and this hotel would follow them.

Board member Molina asked Mr. Desai what the proposed open date would be for the hotel and Mr. Desai responded by saying that they hope to break ground in February. Typically, projects like these take between eleven to fourteen months to complete. This would mean the hotel would be opening early next year.

Board member Tallman asked if there was any further discussion or any questions from the audience and there were neither.

Board member Molina moved to approve the site plan as long as it met the seven conditions requested in the Staff Report by the Zoning and Planning Director. Alternate Board Member Gonzalez seconded the motion, which passed 4-0 on roll call vote.

Discussion ensued regarding the following steps that need to be taken for the site plan to be approved by City Council and if the applicant will need to present any further plans to the Zoning and Planning Board.

5. ADJOURN

There was no further business to discuss and meeting was duly adjourned at 6:54 p.m.

Respectfully submitted:

Juan D. Garcia
Board Secretary

Adopted by the Board on
this ____ day of _____, 2016.

Manny Perez-Vichot, Chair

Phone: (305) 805-5030
Fax: (305) 805-5036

MEMORANDUM

TO: Zoning & Planning Board

FROM: Christopher Heid, City Planner

DATE: April 4, 2016

SUBJECT: Application for street abandonment and alley vacation

CASE # 02-ZP-16

APPLICANT: Sucre, LLC

ADDRESS: 4949 NW 36 Street

REQUEST: Applicant is requesting the abandonment of a portion of a City-owned street (La Villa Drive) 20,731 square feet in size, and the vacation of a portion of an alley, 4,284 square feet in size.

THE PROPERTY: The property is 13 separate parcels separated by a City-owned alley, and a City-owned street, La Villa Drive. The western and central parcels are identical, rectangular in shape, with 142 feet of frontage on NW 36 Street, and a depth of 346 square feet. Each parcel contains 48,990 square feet.

La Villa Drive runs between the two parcels. It is a 60 foot wide street with a depth of 346 feet, for a total size of 20,732 square feet.

The eastern parcel is also rectangular in shape, with a width of 190 feet of frontage on Mineola Drive, and a depth of 142 feet, for a total lot size of 26,980 square feet. It abuts a 16 foot wide alley, at the rear (west).

This alley, running between the central and eastern parcels is 16 feet wide and 345 feet in depth, containing 5,367 would be abandoned as well.

In total, the rights-of-way to be abandoned measure 26,099 square feet, or 0.599 acres.

However, when rights-of-way are abandoned, half of the property goes to each adjacent private property owner. As such, the portion of La Villa Drive to be abandoned would go completely to the applicant, as they are the property owners on both sides of the Street. Similarly, the northern portion of the alley to the west of the eastern parcel would go completely to the applicant, as they are the owners on both sides of the street. However, on the south portion of the alley, the west half would go to the applicant, while the east half would go to the adjacent private property owner.

In summary, the thirteen private parcels contain a total of 124,960 square feet, or 2.86 acres. The street and alley to be abandoned is a total of 26,099 square feet, or 0.599 acres. The total lot size, after abandonment, would be 151,059 square feet, or 3.46 acres.

ANALYSIS: La Villa Drive has been closed to through traffic for years by a metal guardrail and landscaping to prevent cut through traffic into the residential neighborhood. Many of the other streets in the area have similar treatment. Therefore, there would be no impact on traffic flow on La Villa Drive, and little impact – other than trash collection- in the alley. And with the construction of a wall along the north property line, the adjacent residential areas will be better protected from the commercial activity on NW 36 Street.

The most difficult aspects of redevelopment in the NW 36 Street District are the small, shallow lots under multiple ownership. The City is willing to vacate the rights-of-way in order to establish what is an unusually large parcel in the City. However, the fundamental condition that the City requires is the creation of a unity of title that secures the multiple parcels into a single development site under single ownership, which can only be separated by the City Council.

This is one of the conditions under which the vacation was approved by the Board previously. The applicant has proposed a “Covenant in Lieu of Unity of Title”, which would not assure a unified development, but a project(s) under separate development and ownership, an alternative that staff rejects.

RECOMMENDATION: It is recommended that the request for street abandonment and alley vacation be denied, but that the applicant reconsider their rejection of the proposed unity of title.

CITY OF MIAMI SPRINGS, FLORIDA**

PETITION FOR A HEARING BEFORE THE ZONING & PLANNING BOARD

OFFICIAL USE ONLY

Case No. : _____ -ZP- _____ Date: _____ Fees Paid/ Receipt No. : _____
Date hearing is advertised: _____ Date set for Public Hearing: _____
The owner and/or his/her agent has _____ has not _____ submitted a petition regarding the
subject within the last six months.

(I) (We) Salvatore Natoli, on behalf of Sucre, LLC of 4909 & 4849 NW 36th Street
Owners Name Address Petition Requested For

Hereby petition the City of Miami Springs, Florida, to review the instant petition for Zoning
and Planning approval on the following legally described property:

The legal description is See attached Exhibit "A"
Lot(s) Block Subdivision

The subject property is generally located at NW 36th Street and La Villa Drive

Interest of applicant to the premises affected: Agent for Owner
(Owner /Lessee/ Agent)

Lot Size: N/A Area of subject property: 0.57± acre (25,016± sq. ft.)
Square feet or acres

Number of street frontage & name of street(s): La Villa Drive – 345.55 feet;
Alley – 345.45 feet

Type of use and improvement proposed (state also whether new structures are to be built,
existing structures used, or additions made to existing buildings): (i) Vacation of a portion of
La Villa Drive extending approximately 345 feet north of N.W. 36th Street, and (ii) vacation
of approximately 345 feet of an alley located immediately east of La Villa Drive, as reflected
on the enclosed survey.

What reasons exist which permit the subject property to be used in accordance with the petition and supporting documentation. Please state the reasons:

Please see attached Letter of Intent.

State in what way the proposed plan/project will be appropriate and desirable to the City of Miami Springs, and the effect of the proposed plan/project in the immediate neighborhood:

Please see attached Letter of Intent.

What change or changing conditions make the approval of this proposed plan/project necessary?

Please see attached Letter of Intent.

Are there any other circumstances which justify the approval of the plan/project?

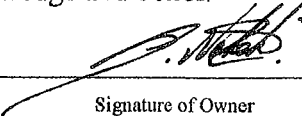

Please see attached Letter of Intent.

If you are completing this application and are also the owner of the subject property, please complete the following:

State of Florida:

County of Miami-Dade:

(I) (We) Salvatore Natoli, being duly sworn, depose and say that I/we own one or more of the properties involved in this petition and that I/we have familiarized myself/ourselves with the rules and regulations of the Zoning and Planning Board with respect to preparing and filling this petition and that the foregoing statements contained herein and other information attached hereto, present the arguments in behalf of the petition herein requested to the best of my/our ability and that the statements and information referred to above are, in all respects, true and correct to the best of my/our knowledge and belief.

BY HAND DELIVERY

Mr. Chris Heid
Planning and Zoning Director
City of Miami Springs
201 Westward Drive
Miami Springs, Florida 33166

Re: Sucre, LLC's Request for Vacation of Right-of-Way

Dear Mr. Heid:

Our firm represents Sucre, LLC (the "Applicant"). The Applicant owns 13 parcels totaling approximately 2.83± acres located on the north side of N.W. 36th Street and adjacent to La Villa Drive and Minola Drive (the "Property"). This letter shall serve to respectfully request, on behalf of the Applicant, the City's approval of the closure of the segment of La Villa Drive extending approximately 345 feet north of N.W. 36th Street (the "La Villa Drive ROW") and approximately 335 feet of an alleyway located immediately east of La Villa Drive (the "Alley ROW"), as reflected on the enclosed survey, in order to facilitate the redevelopment of the Property (the "Application").

Background:

The Applicant acquired the Property in February 2015 with the intent to redevelop it with a unified mixed use development in accordance with the NW 36th Street District regulations contained in the City's Comprehensive Plan and Zoning Code. According to the City's Comprehensive Plan, the intent of the NW 36th Street District is to encourage large-scale developments of a wide range of compatible and complementary uses, including hotels, retail and residential uses. The Property currently consists of 13 tax parcels located adjacent to and bisected by the La Villa Drive ROW and Alley ROW. The City's approval of the Application would allow for the aggregation of these 13 parcels in order to create a unified development tract, which will facilitate redevelopment of the Property with a cohesive, mixed use development comprised of hotel, residential and retail uses.

MIADOCS 11236676 2

Application:

The Application is consistent with the goals, policies and objectives of the City's Comprehensive Plan. Policy 1.8.1 of the Comprehensive Plan allows for the vacation of right-of-way provided that the vacated right-of-way is not necessary to accommodate future storm or sanitary sewer facilities. The La Villa Drive ROW and Alley ROW are not needed for future City infrastructure needs, as the requested vacation of right-of-way will facilitate redevelopment of the Property and necessary infrastructure upgrades to service the unified project. As a result, infrastructure in the surrounding area will be upgraded to the benefit of all residents and businesses.

In addition, vacation of the subject right-of-ways would not adversely affect traffic circulation or roadway connectivity. The La Villa Drive ROW is a dead-end street, commencing at N.W. 36th Street and terminating at the north boundary of the Property. Therefore, vacating the La Villa Drive ROW would not adversely impact traffic circulation or roadway connectivity as it is currently an isolated segment of roadway bounded on all sides by the Applicant's Property. Approximately 200 feet of the Alley ROW is surrounded by the Applicant's Property, and the remaining 135 feet is bordered by an abutting gas station. However, the gas station is located at the corner of N.W. 36th Street and Minola Drive and has ingress and egress from both street frontages.

Requested Modifications:

We previously presented the Application to the Zoning and Planning Board on August 4, 2015, at which time the Board unanimously recommended approval. We indicated at the Board meeting that as an alternative to a unity of title as requested by staff, our client would like the option of providing a covenant in lieu of a unity of title. We proceeded before the City Council on October 12, 2015, at which time the City Council directed the City Attorney to bring back the item with a draft Resolution for approval. In the interim, the City Attorney opined that we must modify the Application to vacate the entire width of the Alley ROW adjacent to the gas station and that we must re-present the Application before the Zoning and Planning Board for review of our request for a covenant in lieu of unity of title. While we disagree with these requirements, as a courtesy to the City Attorney we are hereby amending the Application and bringing it back before you for your consideration.

With respect to our request to allow for a covenant in lieu of unity of title, we would like to emphasize that it accomplishes the same purpose as a unity of title but simply allows for different ownership of the underlying parcels. A covenant in lieu of unity of title is typically used to regulate multi-phased or mixed-use developments that may result in multiple ownership. It permits a developer to finance separate components of the project, thereby facilitating development. A covenant in lieu contains the same safeguards as a unity of title: (i) it is a recorded in the public records and runs with the land, meaning that is binding on all successors and assigns; and (ii) it can only be amended or released by approval of the City Council.

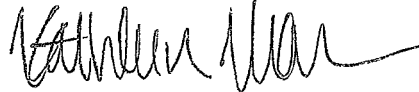

Conclusion:

The vacation of the La Villa Drive ROW and Alley ROW is an integral component of the redevelopment of the Property. The approval of the Application will facilitate the redevelopment of the Property, which will in turn help revitalize the NW 36th Street corridor by encouraging additional development and investment in the surrounding area. The Application is also in the best interests of the City and its citizens, as redevelopment of the Property will improve the character and design of development along the NW 36th Street corridor in accordance with the City's Comprehensive Plan and Zoning Code regulations.

We respectfully request your favorable review of this Application. Should you have any questions, comments, or require additional information, please do not hesitate to contact me at (305) 347.7321.

Yours very truly,

Shutts & Bowen LLP

**COVENANT RUNNING WITH THE LAND
IN LIEU OF UNITY OF TITLE**

KNOW ALL BY THESE PRESENTS that the undersigned Owner hereby makes, declares and imposes on the land herein described, these easements and covenants running with the title to the land, which shall be binding on the Owner, all heirs, successors and assigns, personal representatives, mortgagees, lessees, and against all persons claiming by, through or under them;

WHEREAS, a Covenant in Lieu of Unity of Title allows for the development of a unified development tract in accordance with local land development regulations, while also permitting the sale or encumbrance of individual parcels or phases to facilitate the development of the unified tract;

WHEREAS, Owner holds the fee simple title to that certain property located in the City of Miami Springs, Florida (the "City"), as more particularly described on Exhibit "A," attached hereto and made a part hereof (the "Property"), which is supported by the attorney's opinion of title attached hereto as Exhibit "B";

WHEREAS, Owner has applied to the City to vacate certain right-of-ways located adjacent to the Property and more particularly described on attached Exhibit "C" (the "Right-of-Ways"), and Owner desires to ensure to the City that, upon the City's vacation of the Right-of-Ways, the Property will be developed as a unified development tract;

WHEREAS, Owner intends to develop a mixed use project on the Property to consist of such uses as hotel, office, retail, and multifamily residential, with such development to be completed in phases (the "Project"); and

WHEREAS, Owner may wish to convey portions of the Property or components of the Project from time to time in order to facilitate the development of the Project, and this instrument is executed in order to assure that the phased development of the Property with future multiple ownership will not violate the Zoning Code of the City.

NOW THEREFORE, in consideration of the premises, Owner hereby agrees as follows:

1. The Owner of the Property hereby agrees and declares that (i) for the purpose of determining compliance with all aspects of the Zoning Code of the City, the Property shall be considered as one plot and parcel of land, and (ii) so long as this instrument shall remain in effect, any and all conveyances or transfers of all or any portion of the Property by the Owner, its grantees, successors and assigns, shall be subject to the terms and restrictions of this Declaration as if any such grantee, successor, or assign were a party hereto or a signatory hereof. The recordation of separate mortgages on each phase or parcel subsequent to the recordation of this instrument shall not be deemed as a breach of the covenants contained herein, nor shall the submission of the Property to condominium ownership or the sale of phases or individual units in the development to third party purchasers.
2. The Property will be developed in substantial conformity with the site plan entitled "La Villa Drive Development Hotel & Office – Overall Site Plan," prepared by EOF Designs and dated _____. No modification shall be effected in said site plan without the written consent of the then owner(s) of the Property and the Director of Planning and Zoning; provided that should the Director withhold such approval, the then owner(s) of the Property shall be permitted to seek such modification by application to modify the plan or covenant at public hearing before the City Council.
3. If the Property is developed in phases, each phase will be developed in substantial accordance with the site plan.
4. In the event of multiple ownership, each of the subsequent owners, mortgagees and other parties in interest shall be bound by the terms, provisions and conditions of this instrument. Owner further agrees that it will not convey portions of the Property to such other parties unless and until the Owner and such other party or parties have executed and mutually delivered in recordable form an instrument known as an "Easement and Operating Agreement," which shall contain, among other things:
 - (i) easements in the common area of each parcel for ingress to and egress from other parcels;
 - (ii) easements in the common area of each parcel for the passage and parking of vehicles;
 - (iii) easements in the common area of each parcel for the passage and accommodation of pedestrians;
 - (iv) easements for access roads across the common area of each parcel to public and private roadways;
 - (v) easements for the installation, use, operation, maintenance, repair, replacement, relocation and removal of utility facilities in appropriate areas in each such parcel;

MEMORANDUM

TO: Zoning & Planning Board

FROM: Christopher Heid, City Planner

DATE: April 4, 2016

SUBJECT: Application for Site Plan Approval for the Construction of a Hotel.

CASE # 03-ZP-16

APPLICANT: Sucre, LLC

ADDRESS: 4949 NW 36 Street

REQUEST: Applicant is requesting site plan approval for the construction of a 90,080 square foot, 149 room hotel.

THE PROPERTY: The property is proposed on a portion of the applicant's total land holdings of 125,244 square feet. The hotel and a 44 car surface parking lot would be built on the western parcel, with 142 foot of frontage on NW 36 Street and a depth of 346 feet, for a total parcel size of 49,132 square feet.

The central parcel, separated by La Villa Drive from the western parcel, is identical in size to the western parcel. However, only the rear (northern) 190 feet would be used for a 78 space surface parking lot, for a total lot area of 26,980 square feet. The balance of the central parcel, abutting NW 36 Street, would not be used, and is not seeking development approval. Similarly, the 26,980 square foot eastern parcel, separated from the central parcel by an alley, would not be used.

Therefore, the portion seeking development approval is 76,112 square foot in size, and occurs on both sides of La Villa Drive.

THE PROJECT: The applicant is proposing the construction of an eleven story hotel with 149 rooms, and a total building size of 90,080 square feet. (FAR of 1.18).

The site is accessed from the existing La Villa Drive curb cut, and the street is proposed to be improved with curbing, sidewalks, lighting, landscaping and irrigation. Similarly the alley to the west would be improved with curbing, sidewalk, and landscaping.

A semi-circular drive brings visitors to the hotel site, under the coverage of a decorative porte-cochere. The ground floor of the building contains the lobby, front desk, a great room/lounge, a hotel dining room, bar, pantry and mechanical space. In addition, a 2,330 square foot restaurant intended for lease to an outside operator, is located at the front (south) of the building, facing NW 36 Street. A large outdoor dining terrace is adjacent to the south

The first floor mezzanine provides double height ceilings to the leased restaurant, lobby and great room/lounge. Storage and back of house operations are also accommodated, as are several guest rooms.

The third floor continues the volume ceiling of the lobby, as well as meeting space and eleven guest rooms. Floors 4 through 7 are typical floor plans, with 21 guest rooms per floor.

The eighth floor contains the swimming pool, Pilot House bar, pantry/storage and six guest rooms. The ninth floor contains 13 guest rooms, and a gym overlooking the pool below.

The tenth and eleventh floors contain 15 guest rooms each, with the pool area below

The building is of CBS construction, with a stylish contemporary design. Angular projects on the elevation nicely break up the façade and provide visual interest, as do the eyebrows over windows scattered about. Large areas of glass on the upper floors of the front façade also provide a contemporary style and excellent views of the airport to the south. A stucco parapet at the roofline is of sufficient height to screen all rooftop equipment.

ANALYSIS: The proposed hotel would replace an assortment of long vacant or underutilized buildings, clearly not the highest and best use of the property in its prominent location on NW 36 Street. In its place would be an 11 story, 98,080 square foot hotel with 149 guest rooms, more fully realizing the parcel's potential, adding a new hotel to the City's inventory, while enhancing the NW 36 Street corridor specifically, and the City generally.

In addition, the hotel would provide numerous short term construction jobs, long term hotel jobs, and benefit other hotel service providers. The provision of a leased restaurant, highly visible from NW 36 Street, in addition the hotel restaurant is also welcomed

RECOMMENDATION: It is recommended that the request for site plan approval be granted, subject to the following condition.

1. Plans shall substantially comply with those submitted, as follows:

- Sheet A-000, COVER SHEET, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-004, SURVEY, by Manuel G. Vera & Associates, Inc., dated, December 15, 2014.

- Sheet A-050, SITE PLAN, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet L-001, PLANTING PLAN, by Studio Roberto Rovira, dated, signed and sealed February 3, 2016.
- Sheet A-100, GROUND & 2ND FLOOR PLAN, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-101, TYPICAL 3RD-6TH, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-102, TYPICAL 3RD-6TH, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-103, TYPICAL 3RD-6TH, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-104, PH (9 &10) AND ROOF, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-200, ELEVATIONS, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-201, ELEVATIONS, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-202, ELEVATIONS, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-250, MATERIALS AND FINISHES, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-251, MATERIALS AND FINISHES, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-300, ELEVATIONS, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-400, RENDERINGS, by EOF Designs, dated, signed and sealed March 1, 2016.
- Sheet A-401, RENDERINGS, by EOF Designs, dated, signed and sealed March 1, 2016.

Substantial compliance shall be at the sole determination of the City.

2. All curbing shall be Miami-Dade County Type "D". All landscaped areas must be enclosed with said curbing.
3. Any freestanding sign must be a monument type only, the design of which must be approved by staff.
4. All wall signage shall be of flush mounted channel letters only, or other individual letter type signs to be approved by staff.
5. Parapet shall be of sufficient height to screen all rooftop equipment, excluding stair and elevator towers.
6. The on-going maintenance of La Villa Drive, from the north property line south to NW 36 Street shall be the responsibility of the applicant, and/or successors.

Miami Springs, Florida, 33166

Re: Sucre LLC – Request for Hearing from Zoning & Planning [Case # 03-ZP-16]

Dear Mr. Heid:

We, Delant Construction Co. ("Delant") represents Sucre LLC (the "Applicant") and we are requesting a hearing for a hotel of +/- 150 rooms at 4909 NW 36th street, Miami Springs, Florida.

The Applicant owns 13 parcels totaling approximately 2.83 acres, located on the north side of N.W. 36th street and adjacent to La Villa Drive and Minola Drive. The purpose of this letter is to get the approval from the Planning and Zoning Department so that we can proceed and get a Building Permit. For the purpose of the hotel (Wyndham Garden) we only intend to use +/- 1.77 acres of the acquired land to provide the hotel, required landscape and parking facilities.

The parcels mentioned above are located within the 'Northwest 36th street district' as disclosed in the Article XV as 'Large Scale Commercial Development District' within the Code of Ordinances of the City of Miami Springs.

It is our intention to build this hotel to service the City of Miami Springs and the families and business who travels thru the gateway of Miami International Airport. We believe this project will enhance the commercial district of Miami Springs and it will promote the revitalization of NW 36th street as it will benefit the residents of this city.

The Project complies with the zoning requisites and the present code. We respectfully request your favorable review and approval of this application. Should you have any questions, comments or require additional information please do not hesitate to contact me at (786) 253-1524.

Sincerely,

Emmanúel Ortiz

MEMORANDUM

TO: Zoning & Planning Board

FROM: Christopher Heid, City Planner

DATE: April 4, 2016

SUBJECT: Application for Site Plan Approval for the Construction of a Hotel.

CASE # 04-ZP-16

APPLICANT: Mokena Partners, LLC

ADDRESS: 665 Mokena Drive

REQUEST: Applicant is requesting site plan approval for the construction of a 69,538 square foot, 120 room hotel.

THE PROPERTY: The property is roughly square in size, with 175 foot of frontage on Mokena Drive, and a depth of 183 feet, for a total lot size of 32,130 square feet, or 0.737 acres. The property is located just north of NW 36 Street. There is a 16 alleys abutting the property at the rear (east).

THE PROJECT: The applicant is proposing the construction of an eight story hotel with 120 rooms, and a total building size of 69,538 square feet. (FAR of 2.16).

The site is accessed from two curb cuts on Mokena Drive that access a covered porte-cochere with decorative brick pavers. The site contains 71 surface parking spaces, two short of ordinance requirements. Most of the spaces are open air, although a couple of dozen are located under, or partially under, the building. In addition, Mokena Drive would be improved with curbing, and the creation of two new public parallel parking spaces.

The ground floor of the hotel is mostly made up of back of house operations, including maintenance, mechanical rooms, linens, laundry and an employee lounge. This area also includes a "jump lobby", a small area that welcomes

guests who then take elevators to the actual lobby on the second floor with reception and check in.

As noted, the second floor contains the lobby, meeting room, fitness area, breakfast area, food preparation and service, a business center, and offices for hotel employees, as well as a terrace and swimming pool.

Floors three through eight are typical floors, with 20 rooms per floor, a mix of double queen, king, king suite, and accessible rooms.

The building is of CBS construction, with bands of windows at the front of the building, and individual windows elsewhere. A stucco parapet at the roofline is of sufficient height to screen all rooftop equipment.

However, the building as submitted is unfinished and lacks detail and style. New architectural drawings are being worked on, and will be reviewed and approved by staff at that time.

ANALYSIS: The proposed hotel would replace an old two story warehouse built in 1950. In its place would be an eight story, 69,538 square foot hotel with 120 guest rooms, more fully realizing the parcel's potential, adding a new hotel to the City's inventory, while enhancing the NW 36 Street corridor specifically, and the City generally.

In addition, the hotel would provide numerous short term construction jobs, long term hotel jobs, and benefit other hotel service providers.

RECOMMENDATION: It is recommended that the request for site plan approval be granted, subject to the following condition.

1. Plans shall substantially comply with those submitted, as follows:

- Survey, by Pulice Land Surveyors, Inc. dated March 3, 2015
- Sheet SP-1, Architectural Site Plan, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet SP-2, Pool, Enlarged Plan & Details, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-1.1, Floor Plan Level 1, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-1.2, Floor Plan Level 2, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-1.3, Floor Plan Level 3-5, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-2.1, Roof Plan, by Phillips Architects, dated, signed and sealed November 5, 2015.

- Sheet A-4.1, Exterior Elevations, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-4.2, Exterior Elevations, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-5.1, Building Sections, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet A-5.2, Building Sections, by Phillips Architects, dated, signed and sealed November 5, 2015.
- Sheet LP-1, Landscape Plan, by Phillips Architects, dated October 16, 2015, revised on November 5, 2015, and signed and sealed N.D.
- Sheet C-3, Paving-Grading-Drainage Plan and Notes, by Consulting Engineering & Science, INC., dated June 22, 2015, signed and sealed November 4, 2015.
- Sheet C-7, Water & Sewer Plan, by Consulting Engineering & Science, INC., dated July 31, 2015, signed and sealed November 4, 2015.

Substantial compliance shall be at the sole determination of the City.

2. Any variances granted either by the Board of Adjustment or by the City Council shall be null and void if the applicant does not obtain a building permit and commence construction within one year of the date of the granting of the variance. If unusual circumstances exist, the variance may be extended by the Board of Adjustment or the City Council, whichever granted the variance, for an additional six-month period. No extensions beyond the time periods specified above are authorized.
3. All curbing shall be Miami-Dade County Type "D". All landscaped areas must be enclosed with said curbing.
4. Any freestanding sign must be a monument type only, the design of which must be approved by staff.
5. All wall signage shall be of flush mounted channel letters only, or other individual letter type signs to be approved by staff. Signage may not face north towards the nearby single family residential districts.
6. Parapet shall be of sufficient height to screen all rooftop equipment, excluding stair and elevator towers.
7. Final architectural plans shall be submitted to, and approved by staff prior to the issuance of a building permit.

**ZONING AND PLANNING BOARD
CITY OF MIAMI SPRINGS, FLORIDA**

PETITION FOR A HEARING BEFORE THE ZONING & PLANNING BOARD

OFFICIAL USE ONLY

Case No. : 04-ZP-16 Date: 04-04-16 Fees Paid/ Receipt No. : \$2,500 - 1773
Date hearing is advertised: 03-21-16 Date set for Public Hearing: 04-04-2016
The owner and/or his/her agent has ✓ has not submitted a petition regarding the
subject within the last six months.

(I) (We) Joseph Marik of 665 Mokena Partners, LLC
Owners Name Address Petition Requested For

Hereby petition the City of Miami Springs, Florida, to review the instant petition for Zoning and Planning approval on the following legally described property:

The legal description is Tract D 131 Country Club Estates
Lot(s) Block Subdivision

The subject property is located at 665 Mokena Drive

Interest of applicant to the premises affected: Owner
(Owner /Lessee/ Agent)

Lot Size: 32,130 Area of subject property:
Square feet or acres

Number of street frontage & name of street(s): 665 Mokena Drive

Type of use and improvement proposed (state also whether new structures are to be built, existing structures used, or additions made to existing buildings): Hotel, please see

attached Letter of Intent

What reasons exist which permit the subject property to be used in accordance with the petition and supporting documentation. Please state the reasons: Please see attached

Letter of Intent

State in what way the proposed plan/project will be appropriate and desirable to the City of Miami Springs, and the effect of the proposed plan/project in the immediate neighborhood:

Please see attached Letter of intent.

What change or changing conditions make the approval of this proposed plan/project necessary? Please see attached Letter of Intent

Are there any other circumstances which justify the approval of the plan/project? _____

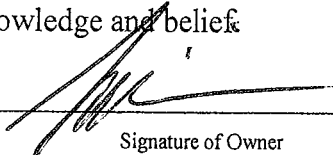

Please see attached Letter of Intent

If you are completing this application and are also the owner of the subject property, please complete the following:

State of Florida:

County of Miami-Dade:

(I) (We) Joseph Marin / 665 Moore Park, being duly sworn, depose and say that I/we own one or more of the properties involved in this petition and that I/we have familiarized myself/ourselves with the rules and regulations of the Zoning and Planning Board with respect to preparing and filling this petition and that the foregoing statements contained herein and other information attached hereto, present the arguments in behalf of the petition herein requested to the best of my/our ability and that the statements and information referred to above are, in all respects, true and correct to the best of my/our knowledge and belief.

665 MOKENA PARTNERS,LLC
PROFESSIONALS IN HOSPITALTY IN MIAMI SPRINGS SINCE 1978

VIA HAND DELIVERY

Mr. Chris Heid
Planning and Zoning Dept.-City of Miami Springs
201 Westward Drive
Miami Springs,FL 33166

Re: Letter of Intent-Comfort Inn & Suites 665 Mokena Drive.

Dear Mr.Heid:

Please consider this our formal letter of intent for a public hearing application before the City of Miami Springs Zoning and Planning Board of the above-referenced Property.

665 Mokena Partners, LLC is the owner of the property located at 665 Mokena Drive Miami Springs, FL 33166. The Property is currently occupied by a warehouse/office building, which is proposed to be demolished as part of this application (photos attached.)

The purpose of the proposed application is to develop a 70,000 sq ft. 120 room hotel, bringing a Comfort Inn & Suites to Miami Springs. Comfort Inn & Suites is a division of Choice Hotels International, one of the largest and most successful franchisors in the world. We are excited to bring this brand new project to the City as the location of the hotel, its proximity to the Miami International Airport, and its range of services will compliment the existing and surrounding uses in the area. Comfort Inn & Suites is a preferred lodging choice for both the business and leisure traveler, and the property is in the perfect location for the hotel.

The subject property falls under the zoning transect NW 36 St. district, which specifically lists hotels as a permitted use. Therefore, the proposed use is consistent with both the City's comprehensive plan and the City's zoning code and the addition of the proposed new hotel meets the intent of the ordinance. We have had a chance to review the project with Chris Heid. Our first iterations of the project were well received with comments that have been noted and reflected in our current plans.

I. Requests

In connection with the application we are proposing the following requests:

1. A variance to permit a total of 64 parking spaces on site, where a total of 70 parking spaces is required under the City Code.

II. Justification of Request

We are requesting a variance to allow a total of 64 parking spaces where a total of 70 parking spaces are otherwise required. The name of the zoning district recognizes its unique location in proximity to the Miami International Airport along NW 36 St. The Property's location, coupled with the additional transportation services provided by the hotel supports the request for a variance of the number of parking spaces otherwise required under the Code.

Because of the Property's strategic location, many guests of the hotel arrive through Miami International Airport and either travel to the hotel via taxis, Uber, Lyft, or utilize the convenient service of the hotel's complimentary 24 hour per day shuttle that runs on demand. Additionally, the proposed hotel will service many cruise ships by providing pre and post hotel stays, including transfers to and from the seaport and airport. An outside transportation company is also contracted to transport hotel guests, which further avoids the need for individual vehicle use.

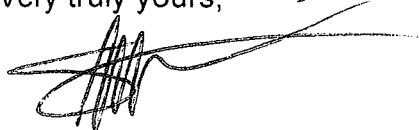

We are experienced hoteliers doing business in the City of Miami Springs since 1978 and have monitored and continue to monitor the parking utilization in this market. We are confident that the variance for the number of parking spaces will not affect this project guests' access the property or the hotel operations in any way.

III. Conclusion

Based on the foregoing, the proposed development is an ideal use along NW 36th Street due to its proximity to the Miami International Airport and other attractions within Miami-Dade County. This project intends to create over 100 construction jobs during the construction phase along with 50 permanent jobs once the hotel opens. The proposed hotel will be a positive addition to the Miami Springs community both aesthetically and economically and we look forward to working with the City for the third time in five years to bring another quality new development to the City of Miami Springs the latest being (the 135 room Hyatt Place Miami Airport located at 3549 Le Jeune Road which we completed and opened in November 2015.)

If you have any questions or require any additional information regarding the above, please feel free to contact me at (305) 888-8404.

Very truly yours,

Steven Marin
